Did You Know?

Did You Know?

Did you know that West Haven City operates without a property tax? Many residents don't realize when they pay their property taxes that there are many taxing entities. The money is divided up to pay for schools, libraries, secondary water, 9-1-1 service, and other things...but West Haven City doesn't get any of it. Services provided by the City cost residents nothing. There are also many services we wish we could provide but don't have the means. We are currently conducting a survey to see how residents feel about some of the missing services that are likely found in other cities. Please click on <https://www.surveymonkey.com/r/7DFH8M5> to take the survey. (Open to West Haven residents only. Responses from unverified addresses will not be considered.)

Swag Bag

Help welcome our new residents! We would like to give our new residents the opportunity to get to know our businesses. If you have an item to put into a welcome packet, please send an email to Mayor Bolos at westhavencity.com. Items should be small, such as coupons, pencils, magnets, etc. We will contact you about where to bring your items so that they can be included in a swag bag. (Limited to West Haven businesses.)
