Lynn Hannum and Richard Watkins to the Water and Sewer Board.
Tim Jensen to the Board of Adjustments.

◆ **ADDITIONALLY, I HAVE MADE THE FOLLOWING CITY COUNCIL ASSIGNMENTS:**

Blaine Holmes is assigned to the fire district and animal control.
Stephanie Carlson to all emergency programs.
Sharon Bolos to parks and recreation.
Dawnell Musselman to pathways.
Shawn Smith to the public works department.

NEW RECEPTIONIST

We advertised this position and received 267 applications. From this list, I made a hire Monday, February 1, 2010. What happened to Shanda? I am giving her a different assignment and she will begin her training soon on her new position as deputy recorder. Pat is retiring and she will be missed. Our best wishes to her when she rides into the sunset at the end of March.

AUDITS COMPLETED

Auditors have completed their work and found that our city is in good shape. I am pleased to be the Mayor of a city that has been careful and wise over the many years. This keeps us in the position of keeping property taxes at zero for our city. Naysayers always cry to just wait and see. Well, we have waited since 1991. How much longer do we have to hear these cries?

Have a great month and Happy Valentines Day!

Mayor Melaney
