

West Haven City

January 2011

Mayoral Message

By Mayor Brian Melaney

The End of 2010

Wow, where does the time go? It seems like we just welcomed in 2010. 2010 was a good year for West Haven. Many improvements were completed for our parks, roads, and recreation departments. I'm pleased with the years accomplishments and hope for more in 2011. This last month I have met with various groups regarding pathway expansions and improvements and the development of the commercial area.

I know some think the project on Midland Drive is dead, but it has never been more alive.

I hope to be able to share more information soon. What I can tell you is there will be new ownership and they are actively moving forward.

Thanks to one and all

On behalf of the Council, we thank all those who help make our city better and who give so much donated time to make life more pleasant. Thank you very much for all you do!

Have a great New Year and please be safe always.

Mayor Melaney

Youth City Council

Our Youth City Council was very busy in December. Early in the month they got together and made white boards to donate to local elementary schools. They got a great deal on materials from Lowe's in Riverdale, which was much appreciated. The mayors were able to deliver over 100 boards to each school - Country View, Kanessville, Quest, and West Haven.

Later in the month they visited Heritage Park Care Center in Roy and had a puzzle party with the residents there. The council had a lot of fun with both projects. We appreciate their example of service in our community.

West Davis Corridor

The Level 1 Screening process has narrowed down the number of alternatives from 46 to 14. The results of the Level 1 Screening process can be found on the maps page of the website: www.udot.utah.gov/westdavis/maps

The 14 alternatives are now going through the Level 2 Screening process and being evaluated to assess their potential community and environmental impacts. The results of the Level 2

Screening process will be shared online and at a series of public open houses in early 2011. Your participation and comments are encouraged and we hope you will join us at our upcoming events.

We will post the dates and locations for the next round of open houses on the events page of the study website (<http://www.udot.utah.gov/westdavis/getinvolved#events>).
