## Mayoral Message

By Mayor Brian Melaney

### Elections

You will receive this either just prior to the elections or just after them. So, if it is before, please take the time to vote at city hall for the candidates of your choice. We have 5 candidates seeking 3 city council positions. If you receive this after the election, thanks for voting and congratulations to the newly elected city council members. I look forward to working with you. In 2 years, we will have elections for mayor and two city council positions.

### Grants

We were just awarded a federal grant of \$75,000 that we must match and use within two years for further development of our trail system. My thanks to the staff as we continue to leverage our tax dollars and get the most bang for our buck.

### Last Spring's flooding

FEMA has been meeting with us to determine if we qualify for any compensation as a result of the flooding we encountered last spring and summer. We feel confident that we have met federal guidelines for some consideration and have filed the necessary documents. We expect to see results in several weeks so we can repair

damages along our pathways that abut the river where erosion occurred.

### November Holidays

City offices will be closed for Veteran's Day and Thanksgiving. We hope you enjoy the holidays.

### Holiday Lighting

We plan on another mayor celebration when we turn on the lights November 28<sup>th</sup> at 6 p.m. Please consider attending the event. Look elsewhere in this newsletter for further details.

Happy Thanksgiving!  
Mayor Melaney
