Mayoral Message

West Haven City Cemetery

As was mentioned last month, a presale of plots was conducted two days last month and 268 plots were sold to West Haven residents on those days. Our focus is to get the cemetery operational as quickly as possible. We are pleased with the results and hope to have something of great value for our residents and for those who wish to use our provided service that live elsewhere.

How about an Athlete of the Month?

I readily acknowledge I am not aware of every noteworthy accomplishment of our residents. However, I do know that Josie Williams led her AAU basketball team to a first place finish in a major AAU tournament held recently in Salt Lake City by scoring 19 of her team's 26 points in defeating a team from Utah County in the championship game. Congratulations Josie! She is the daughter of Matt and Christy Williams and, evidently, got her athletic ability from the female side.

Welcome Subway to West Haven City

Let's give a hearty and healthy welcome to Subway freshly located on 1900 West and 2355 South. They were formerly located on the east side of 1900

West in another city. Thank you for giving us another choice in our city and we hope your business is brisk.

Pathway along the Weber River

Construction continues along the northern side of the Weber River which will serve us very well and extend our pathways to the west side of 1900 West. We are still thrilled with our RAMP award and hope to have more good news in the near future as RAMP grant requests have again been submitted by us for more bleachers at our Sports Park, scoreboards, and music during West Haven days.

Maintenance department smiling more

Congratulations to city employee Colt Prevedel on his recent marriage to Carrie Atkinson. We wish the two of them well.

Annual City Audit

Auditors found our city in very good standing. Without a city property tax, we are happy that we remain debt free and have a reserve for emergency situations. The council was pleased with the audit results and we will try to maintain our current "good standing" situation.

West Haven Heritage Days

Our volunteer parks committee is already beginning to plan West Haven Heritage Days 2012. Put these dates on your calendar – June 14th and 21st-23rd. This year we have added a quilt show and a fun evening at the Roy Aquatic Center.

We are looking for more volunteers. Many of our citizens

have volunteered for years and now we need your help. If you would like to join in the planning or have an idea for an event we can add, contact Sharon (801-731-8596) or Brock (801-731-8882). Your support is appreciated in bringing our community together.

Councilmember Sharon Bolos
