West Haven Days

Please peruse this newsletter for all the events during our annual celebration. The traditional events are still intact and new activities have been added. The rodeo, car show, Dutch oven cook off, 5K run, fireworks, bike ride, dinner, bands, booths, and newly added water park adventure are just some of the activities. Many thanks to the volunteers who make it all happen!

Budget Process

The fiscal year is soon ending and our city remains in a solid financial position. The council has tentatively approved our proposed 2012-2013 budget and the public hearing and final approval are scheduled in accordance with state law. For the 21st consecutive year, we will not have a city property tax.

Summer

For many, summer is the best time of year. It is also the time

when most accidents occur. Please be safe and enjoy all the activities the warmer weather brings. You may have noticed that some city roads have had some maintenance as we continue to improve the transportation within our borders. You may want to enjoy the new pathways beginning south of Hinckley Drive and the soon-to-open pathway along the river east of 1900 West. Last year's floods eroded some of the banks and extended our project completion date. Despite the setbacks, ribbon cutting is just around the corner for a beautiful trail along the river west of I-15.

Another City Employee Weds

Congratulations to Cole Tubbs who wed Emily Berrett on March 23, 2012. We wish them a long and happy marriage!

Enjoy your summer!
Mayor Melaney
