## Mayoral Message

By Mayor Brian Melaney

### 3500 West

Last month I informed you about funds being appropriated to widen the road from our city boundary to Kanesville Elementary. WACOG approved the funding and I hope to see the county's project underway next year. That should bring a few smiles. Thank you Weber County!

### Weber River Pathway

The new path is now ready for asphalt and is looking very inviting. We have a tentative ribbon cutting event planned for November 13<sup>th</sup> at 4PM underneath I-15 where the path is going to be extended. More information about this event will be in the next newsletter.

### Sheriff's Contract

The local newspaper ran a front page story about the situation between our city and the sheriff's department. It stated that we were the only city not to have an agreement and said

the Mayor was not available for comment. Well they are 50% correct. We are not the only city without an agreement and the sheriff and I are not going to make our discussions public until we agree on something which must then be ratified by the city council. I am comfortable that we will come to an agreement that will work for all parties involved and when that is finalized, it will quickly come to the council for approval and be made public.

### Halloween

Yes, Halloween is later this month. Please be careful that evening and help us protect our kids that night by having your porch light on and being very cautious while driving. I hope for a fun and safe evening for one and all.

Enjoy the fall season!  
Mayor Melaney

## West Haven Pumpkin Walk

The Youth City Council will be holding their annual Pumpkin Walk on Monday, October 29<sup>th</sup> at 6:00 at the Country Park. There will be candy stations along the pumpkin path and refreshments will be available for purchase at the end. Carved pumpkins should be picked up at 8:00. Any pumpkins left after 8:10 will be discarded. Bring your family to support the Youth City Council - it's a great night!

## Advertising Opportunities

We are excited about our new scoreboards in the Sports Park. We will be adding advertising panels to both scoreboards. There are also advertising spots available on our recreation web site. This site is used by residents and non-residents registering for recreation programs, checking schedules, and signing up for West Haven Heritage Days events. Both the scoreboards and the web site offer great advertising opportunities for your business. If you are interested in advertising at the Sports Park or on the web site, contact Brock (801.430.1517). Advertising will be sold on a first come, first served basis so don't delay.
