## Mayoral Message

By Mayor Brian Melaney

### City Land Purchase

I received authorization from the City Council to negotiate and sign a real estate contract for the purchase of 34 acres along the south side of the Weber River from about 1900 West to the western boundary of our city which extends north along the fence line of our cemetery. This contract has been executed. What are our plans for this property? Our plans are to extend our trail system along the river and find a way to connect it to our cemetery property and further into our city. We plan to keep the property in an "as is" state. It is beautiful along the river and is a great addition to our pathways and parks. I believe that for years to come, our citizens will enjoy this property belonging to the city and am very pleased the Council unanimously granted me the authority to act in behalf of the city.

### November Elections

Elections take place for city offices on November 5<sup>th</sup> at city hall. Early voting is available too. Please consider voting for the candidates of your choice. Also, please be respectful of candidate's signs. Everyone deserves the right to

campaign and have their signs located on appropriate venues. It is against the law to destroy or improperly remove a campaign sign. Best of luck to those running for office!

### Halloween

Please consider having your porch light on during this evening and being extra cautious as you travel and drive that evening. Kids will be everywhere and candy, not traffic, will be foremost in their minds. Let's have a safe holiday experience for everyone.

### Road Widening

UDOT will be having an open house to show their plans for future widening of Midland Drive from Hinckley Drive to 4000 South and for the widening of 4000 South from Midland Drive west to 5100 West. The open house will be October 10<sup>th</sup> from 5:00 p.m. - 7:00 p.m. at city hall. Those living along these corridors might have interest in attending.

Have a great fall season!  
Mayor Melaney
