Mayor's Message

By Mayor Sharon A. Bolos

West Haven Heritage Days

We had such a great celebration again this year. Even though the weather did not cooperate every day, we made the best of it and had great support. Hundreds of hours go into preparing for West Haven Heritage Days and the payoff is tremendous. We have amazing staff, volunteers, and citizens!

Movie in the Park

We have scheduled a second movie in the park for Friday, July 18th. Come and enjoy *Despicable Me 2* with your family. The movie will start at dark. Concessions will be available for purchase, but you can bring your own snacks, of course.

City Hall Seminar

The third in a series of FREE seminars will be on **Thursday, August 14th** at 6:00 P.M. at City Hall. **Underage Drinking 101** will be a presentation by ParentsEmpowered.org. ParentsEmpowered.org is a media and education campaign funded by the Utah Legislature and designed to prevent and reduce underage drinking in Utah. More information about the organization can be found on their web site.

Commercial Development

Watch for construction of a new Tractor Supply Co. west of Maverik on 2550 South. This

business will be a great addition to our city.

Commercial development on the corner of Midland Drive and 4000 South is still progressing. Plans are approved and we are awaiting building permit application.

Trail Projects

Engineering has begun on the R.A.M.P. portion of the trail connecting the newest section to 1800 South. Once that project is underway, construction should not take long.

The trail from Hinckley Drive northward is a project from several funds. The City is working with all parties to get that section under construction. We have additional funding we had not anticipated and are hoping to connect the trail through our city.

Vandalism

Thank you for your awareness of city property. Please call dispatch 801.629.8221 to report any suspicious activity or destruction of property.

West Haven Heritage Days Bigger Than Ever

We had another great West Haven Heritage Days celebration last month. We kicked it off again this year with a FREE night at Roy Aquatic Center, which was a little cold, but we pushed through and had a good turnout.

The following Thursday we had our third annual West Haven Days family picnic and the youth rodeo. The Pulled Pork was awesome!

Power in the Park Friday was better than ever. Our car show Friday night this year was amazing. That night we also had the 3rd annual ATV rodeo and the quilt show. Other events Friday included the baby contest, all-star softball games, and bike ride.

Saturday morning started bright and early with our 5K run. Check <http://strideracing.com/2014/6/westhaven5k.html> for race results. We had breakfast at the bowery and a parade. Throughout the day, kids enjoyed games, blowup toys, baseball games and a lacrosse tournament. Plenty of vendors were there, including one providing helicopter rides. There was something for everyone. The Dutch oven cook off was a very popular event. Last, but not least, we ended the night with music, our annual FREE rodeo, and a spectacular fireworks show.

Thank you to all the volunteers from the parks committee, Youth City Council, and the CERT team for your hours of work. Thank you to our tremendous sponsors who help make this event happen each year. Most of all, thank **you** for supporting West Haven Heritage Days and making this event, again, a huge success! See you all next year!

-Randy Hunter, Councilmember

CERT

Basic CERT Training September 11 – October 23

The class will be held once a week 6:30 p.m. to 9:30 p.m. in Ogden; to register, or for more information, contact Tammy at 778-6686.

There is a \$30 participation fee for all new CERT participants. The fee covers the government required personal safety gear, which is issued to each participant at the beginning of the class. West Haven City will reimburse the first 25 residents to complete the CERT training this fiscal year.

What is CERT?

CERT stands for "**Community Emergency Response Team**". CERT is a group of individuals who have taken the CERT training and have the basic skills needed to be better prepared in the case of an emergency. CERT training covers many topics including: Personal Disaster Preparedness, Fire Safety - Fire Extinguishers, Disaster Medical Operations (Triage, Medical Assessment, Treatment, Packaging and Transport) Light Urban Search and Rescue, Team Organization, Disaster Psychology, Terrorism Awareness, and Hazmat Awareness. The training takes about 20 hours to complete.
