## Mayor's Message

By Mayor Sharon A. Bolos

### Neighborhood Watch

The Weber County Sheriff's Office presented a lot of great information last month on personal and property home safety. One of the topics they addressed was the neighborhood watch program. Someone from the department will help you organize a neighborhood watch if you would like. If there is enough interest, we will do a training at City Hall. If you want to start a program in your neighborhood, please contact me via e-mail [sharon@westhavencity.com](mailto:sharon@westhavencity.com) or by phone 801.731.8596.

### City Hall Seminar

The third in a series of FREE seminars will be on **Thursday, August 14th** at 6:00 P.M. at City Hall. **Underage Drinking 101** will be a presentation by [ParentsEmpowered.org](http://ParentsEmpowered.org). ParentsEmpowered.org is a media and education campaign funded by the Utah Legislature and designed to prevent and reduce underage drinking in Utah. More information about the organization can be found on their web site.

### West Haven Heritage Days

The volunteer events committee is working hard to make our celebration spectacular this

year. Look for more information in this newsletter.

### Commercial Development

Watch for commercial development on 2550 South west of the new Maverik. There is also a developer working on the northeast corner of 21st Street and 1900 West. We look forward to enhancing our city's commercial areas with great businesses.

### Cemetery Flag Poles

Scouts from Troop 976 completed their Eagle projects in our cemetery. They constructed six flag poles – one for the American flag and five for the flags of the U.S. military branches. Flags were raised on Memorial Day. The entrance is now a beautiful memorial to those who have served our country.

Mayor Sharon Bolos

## West Haven Days Games & Activities

As a part of West Haven Days we are having a Games & Activities event that is FREE TO THE PUBLIC. Come have fun and enjoy the games and activities on Saturday, June 28<sup>th</sup> from 10:00 am to 4:00 pm at the main West Haven Park located at 2825 W. 3300 S. Better yet, volunteer to help at a game or activity for 2 hours and then play for 4 hours. High score and best time winners of each game will be printed in the July addition of the West Haven newsletter.

Special Thanks to the **Ogden Home Depot** for bringing their **Kids Club** activity to our Games & Activities Event. The first 500 children who come to the Kids Club activity will be able to build and take home a **TOOL BOX**. This event is also FREE TO THE PUBLIC and starts at 11:00 am in the large bowery. At least one parent or guardian should plan on attending with their children to render assistance as needed. Thanks in advance to all the wonderful residents of West Haven that volunteered to help with the games and activities event. Without **YOU** none of this could be possible.

**Volunteers Needed**, if you are available to volunteer for a 2 hour shift at one of our games and activities for West Haven Days on Saturday, June 28<sup>th</sup> between 10:00 am and 4:00 pm at the main West Haven park. Please contact Sally Buttars. She can be reached by email at [mbuttars@yahoo.com](mailto:mbuttars@yahoo.com) or by phone at 801-731-5777. Objectives...keep participants safe, explain the rules, keep track of the equipment, and help everyone have a good time.

## HAM RADIO

If you are a HAM radio operator and would like to help with the West Haven City bike ride June 27, please contact the West Haven Emergency Communications Coordinator, Steve Robbins N6UY at [steve.robbins01@gmail.com](mailto:steve.robbins01@gmail.com)

## VANDALISM

Once again, we have been victim to vandalism at our city parks. If restrooms are closed during daytime hours, it is likely because we are cleaning up after vandals. Please be patient while city crews work to address the issues. We are in the process of increasing surveillance, but if you see mischief at our parks, please call dispatch 801.629.8221 and report it with as much information as you can gather.

## 2014 PRIMARY ELECTION

Not every voter in Weber County will be eligible to vote in this year's Primary Election. An explanation of the Primary Election process may be helpful.

### How Does the Primary Election Process Work and Who Gets to Vote in This Year's Primary Election?

Primary Elections were established from a reform movement to give more power to citizens in the selection of candidates for a political party's nomination, by allowing voters to select the party's candidate to run for office in a General Election.

Each political party determines if their election will be open or closed. The Utah Republican Party conducts a **closed primary**, which means that only registered Republicans (or unaffiliated voters who register as Republicans on Election Day) may vote in the Republican primary. The Utah Democrat Party, and all other parties in the state, conducts an **open primary**, which means any registered voter can vote in their Primary Election, regardless of party affiliation. Voters can only participate in ONE party's Primary Election.

If you are affiliated with a political party, you may change parties by submitting a new registration form no later than 30 days prior to the Primary Election (May 27<sup>th</sup>). If you are UNAFFILIATED, you may select a party by updating your registration prior to the registration deadlines or change your party at the polls on Election Day. The easiest way to change your party affiliation is to fill out a new registration form online at [www.vote.utah.gov](http://www.vote.utah.gov).

### Who Gets to Vote in the Primary Election?

This year, there are only three races on the June 24<sup>th</sup> Primary Election ballot (two Republican races and one non-partisan race). Depending on your party affiliation and place of residence, you may or may not qualify for a Primary Election ballot.

**All registered Republicans in Weber County** are eligible to vote for the two Republican candidates vying for the office of County Recorder/Surveyor.

**Republican voters residing in portions of North Ogden, Ogden, and Pleasant View**, in District 7 of the Utah House of Representatives, are eligible to vote for one of two Republicans for State Representative.

**ANY registered voter residing in District 3 of the Weber School District** will be eligible to vote in the non-partisan run-off election for School Board Member, regardless of affiliation.

Consult the Weber County Elections website to view sample ballots and for help determining which precinct you reside in: [http://www.co.weber.ut.us/Clerk\\_Auditor/Election/](http://www.co.weber.ut.us/Clerk_Auditor/Election/)

### VOTE BY MAIL

Vote By Mail, also commonly referred to as Absentee Voting, is a convenient option that allows voters to receive their ballots in the mail approximately one month prior to the election. Voters have three options for returning a ballot: USPS mail postmarked by June 23<sup>rd</sup>, any official drop-box located in the county, or dropped off at any polling location on Election Day. Voting by mail is available to any Weber County registered voter who requests it.

Many voters find voting by mail to be a convenient alternative to voting in person at their assigned polling place. It allows the voter time to study the ballot, complete a ballot on their schedule, and avoid potential Election Day hassles such as limited parking and long lines at the polling locations. It is also a great alternative for people who might otherwise have difficulty getting to the polls.

The last day to submit a request for a by-mail ballot is June 19. Please contact the Weber County Elections office at (801) 399-8034 or consult their website for more information or to download an Absentee Ballot Application form: [http://www.co.weber.ut.us/Clerk\\_Auditor/Election/](http://www.co.weber.ut.us/Clerk_Auditor/Election/).
