Mayor's Message

City Hall Seminar

The fourth in the series of FREE seminars will be on **Thursday, November 6th** at 6:00 P.M. at City Hall. **Chronic Pain 101** will be a presentation on chronic pain, its causes, and management. The seminar is for anyone coping with chronic pain. Those with friends or family members who have chronic pain are also welcome.

ParentsEmpowered.org is a great resource for prevention of underage drinking. The August seminar was an eye-opener:

Binge drinking begins as early as 6th grade. The brain peaks in development at birth, age 3, and in the mid-teens. Of kids who drink before the age of 15:

- 40% will be alcohol dependent.
- 67% will try other illicit drugs.

Three things will help prevent underage drinking:

- Bonding
- Boundaries
- Monitoring

For more information about effects of underage drinking, check out their web site.

Commercial Development

Tractor Supply Co. is working through their final details and plans to begin construction within a few weeks.

There is continued activity on the corner of Midland and 4000 South. Walmart's plans have been approved and they are ready to move forward with a building permit. They are anxious to be in our city and are working with adjacent property owners on details that will allow them to start building.

Trail Projects

The R.A.M.P. portion of the trail (northeast of the cemetery to 1800 South) is out to bid. Once the bid is awarded, the trail will be under construction and usable this fall. This will complete a beautiful portion of our city's trail system.

Mayor Sharon Bolos

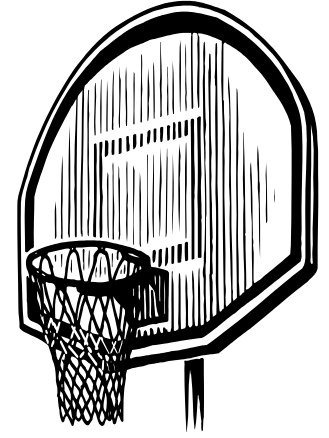

Recreation

Boys Jr. Jazz basketball grades 2nd - 9th registration will begin in October. Please register early so that we can get jerseys in and get practice set up for the teams prior to the season start date. We look forward to another great season.

Thanks, the Rec Department.

A Special Note

Thank you!

We would like to thank Mayor Bolos and Bryce Kendrick of BK Sprinkler and Landscaping for sponsoring our "Movie in the park" events this summer as well as providing FREE POPCORN. We

watched 3 in total. "Frozen" was the movie at West Haven Days. Mayor Bolos sponsored "Despicable Me 2" in July. Bryce Kendrick with BK Sprinkler and Landscaping sponsored "The Lego Movie" in

August. They were great activities for families and we look forward to doing them again next year! Let us know if you are interested in sponsoring a movie in the future.

Congratulations
