Mayor's Message

Movie in the Park

Our third summer FREE movie in the park will be *Big Hero 6*, sponsored by **Studio 48**. It will be Monday, August 17th at dusk at the Country Park on 3300 South. Concessions will be available for purchase, but you can bring your own snacks. Come early - Studio 48 will be doing prize giveaways and contests before the movie.

City Hall Seminar

The seventh in a series of FREE seminars will be on Thursday, August 27th at 6:00 P.M. at City Hall. Weber County Sheriff's Office will be doing a K-9 demonstration. These are amazing dogs and it will be a very interesting demonstration. Bring the kids and join us. This seminar is for everyone.

Commercial Development

We are working with developers on the north side of 4000 South. The south side remains as it has been, property owners trying to agree on site plans. The City is behind that development whenever it takes place. For now, we are working to bring much needed commercial development elsewhere.

Road Construction

Crews are still working on the reconstruction of Midland Drive. Next for UDOT will be the widening of 4000 South. The County is also working on their portion of 3500 West. Design is complete on the 3500 West and Midland Drive intersection and that project will follow. The reconstruction of 2700 West between 3300 South and 3600 South should be finished in a couple of weeks. We are also working with Hooper City on the intersection of 4700 West and 4800 South so that project can begin.

It has been a long summer of road construction and we are not done yet. Between newsletters, updates can be found on our Facebook page. Thank you for your patience as we work to improve the roads in and around West Haven.

Mayor Sharon Bolos

Pesticides, Herbicides & Fertilizers

Nationally, one quarter of the pollutants found in rivers and streams originate from the residential use of pesticides, herbicides, and fertilizers. These materials can enter into our waterways through illegal dumping, run-off from excessive lawn irrigation, and from heavy rains. The following guidelines if followed can greatly reduce the potential of these pollutants from entering our waterways.

- Use pesticide/herbicide/fertilizer only if there is an actual pest problem (not on a regular preventative schedule).
 - Do not use pesticide/herbicide/fertilizer if rain is expected. Apply only when wind speeds are low (less than 5 mph).
 - Do not mix or prepare pesticide/herbicide/fertilizer for application near storm drains.
 - Prepare the minimum amount of pesticide/herbicide/fertilizer needed for the job and use the lowest rate that will effectively control the issues.
 - Employ techniques to minimize off-target application (e.g. spray drift) of pesticide/herbicide/fertilizer, including consideration of alternative application techniques.
 - Calibrate pesticide/herbicide/fertilizer application equipment to avoid excessive application.
 - Sweep pavement and sidewalk if pesticide/herbicide/fertilizer is spilled or overspread on these surfaces.
 - Purchase only the amount of pesticide/herbicide/fertilizer that you can reasonably use in a given time period (month or year depending on the product).
 - Triple rinse containers, and use rinse water as product. Dispose of unused pesticide/herbicide/fertilizer as hazardous waste.
- Dispose of empty pesticide/herbicide/fertilizer containers according to the instructions on the container label.

Northern Utah CERT & MRC Conference

All CERT members are invited to attend the annual CERT conference September 19, 8am to 3pm. The conference will be held at the Ogden Applied Technology College - 200 N Washington Blvd, Ogden. This event helps current CERT members refresh their training and receive new information. Register at <http://bit.ly/1GYXFM>. If you have any questions, contact skcutah@msn.com

Basic CERT Training for NEW CERT Members

The next CERT Training course will be held September 10 – October 22

The class will be held once a week 6:30 p.m. to 9:30 p.m. in Ogden; to register visit http://www.co.weber.ut.us/sheriff/emerman/cert_reg.php. There is a \$30 participation fee for all new CERT participants. The fee covers the government required personal safety gear that is issued to each participant at the beginning of the class. West Haven City will reimburse the first 25 residents to complete the CERT training this fiscal year.

West Haven City Municipal Primary Election

August 11, 2015

West Haven City is holding a "Vote by Mail" primary election on August 11th. Official ballots will be mailed to all registered voters beginning July 14th. More information, including registration deadlines, can be found at www.westhavencity.com or www.vote.utah.gov.

Voting is as simple as 1, 2 or 3!

1

You must affix a first class stamp to your ballot. All ballots returned through the mail must be postmarked no later than **AUGUST 10, 2015**.

2

Ballots can also be dropped off at a secure ballot drop box at City Hall: 4150 S 3900 W, West Haven.

Monday - Thursday
8:00AM-6:00PM

On Election Day, a Vote Center will be available at City Hall for ballot drop off and assistance:

**August 11, 2015
4150 S 3900 W, West Haven
7:00 AM to 8:00 PM**

3

The Election Day Vote Center will allow those who did not receive their ballot, or who wish to vote on a machine, the opportunity to vote in the traditional manner.

CONVENIENT,
CONFIDENTIAL,
SAFE & SECURE
