**City Hall Seminar**

Knowing CPR can save a life. The next FREE seminar is a basic CPR class scheduled for Tuesday, February 9, 2016 at 6:00 P.M. It will be taught by Stacie Simpson, a certified CPR/first aid instructor through the American Red Cross, and Anne Kendrick, R.N., an emergency room nurse. Although CPR certification is not available through the seminar, it is a great opportunity to brush up on or learn CPR skills. The seminar is FREE to the public.

**Road Construction**

Weber County has completed their work on 3500 West. That road is now open.

UDOT's weekly updates on the Midland Drive project are shared on our Facebook page. Their latest estimated date of completion for the entire project is late December.

**Commercial Development**

Several commercial developers are interested in West Haven. I have met numerous times with various groups and am optimistic that we will soon see some commercial development break through. The City Council adopted a revised General Plan in January of this year. They felt that it captured the vision of the City with commercial areas on the east and larger residential lots to the west. The General Plan has become crucial in conversations with developers and protects our interests in keeping West Haven an attractive residential area.

Mayor Sharon Bolos

## Winter Weather Reminders

### Removing Snow From Sidewalks

Homeowners are responsible, by city ordinance, to remove snow, hail or sleet from the sidewalks abutting their property within 24 hours after it has ceased falling. Here are some tips on how to remove snow from your sidewalks and what to expect during and after a snow storm. Throwing or pushing snow onto a public roadway creates a hazard. Please place snow from your sidewalks and driveways in your yard where the ground will absorb any run-off. If you place snow on your park strip, pile it on the down street side of your mailbox and driveway. Expect snow to be pushed into your drive approach until the streets are cleared curb to curb. Be patient. Not all the streets can be cleared immediately. When driving in the snow, stay back and slightly to the driver side of snow plows so your vehicle can be seen in the driver's mirrors.

### Street Parking

Parking on the street is prohibited 12 hours before the time of the projected arrival of an imminent snow storm, and the time it takes for the street to be plowed or otherwise treated by the City from **November 15<sup>th</sup> to March 15<sup>th</sup>**. Thanks to the citizens of West Haven who acknowledge our snow removal efforts. If you have any questions concerning snow removal, please call Scott Venstra, Public Works Director at 801-731-8897

## Empowering the Voice of Youth

Nearly 8-years-ago Thelma Isaacson asked if I would be an adviser to our Youth Council. It has been a tremendously rewarding partnership- one in which each youth and adult is recognized and valued for their ideas. What a great blessing it has been to help develop leadership skills and planting seeds of knowledge in these young citizens. Our life's are all about learning . . . And I have learned so much. Thank You, *Thelma Isaacson*
