Special League Rules

We will run the league by the Weber County Rules, if you have questions, ask your director for a copy of the rules.

- * Pitchers are only allowed to pitch 3 innings. One pitch will be considered an inning. Pitching distance for this age is 44 ft. Bases are 60 ft.
- * All games are 75 minutes long, no new inning will start after 70 minutes. The clock will be set at 75:00 minutes and no new inning will start if the clock shows less than five minutes.
- * A 10 run slaughter rule will be in affect after 3 complete innings.
- * Every player will bat. The order will remain the same throughout the game; players that are late will be added to the end of the lineup. Teams may start a game with 7 players, taking an automatic out when the 8th and 9th batters are due up.
- * Base runners may steal second and third base once the ball is released from the pitcher's hand.
- * A runner on third base can only score three ways: being batted in, being forced in, or being played on at third base.
- * On the third strike or called third strike, which is dropped by the catcher, the batter is out, no throw to first base is necessary.
- * No shorts allowed.
