

Weber County Sheriff's Department **and** **West Haven City Residents** **Have Joined Forces**

December 2005, the Department held their first meeting at the new West

Weber County Sheriff's Citizen's Advisory Committee Haven City Hall.

A number of West Haven residents attended, including local school administrators.

Lieutenant Merv Taylor addressed the group and explained that the committee's main mission is to assist the sheriff's department in addressing issues and concerns within the community, such as:

- Helping form neighborhood watch groups,
- Improving traffic flow around schools,
- Having officers visible at community and school events,
- Providing a safe and friendly environment for the residents.

Since that time the committee has held monthly meetings on the 4th Thursday of each month, 5:15 pm, West Haven City Office @ 4150 South 3900 West.

Members appointed Mickey Elmer as chairman of the Committee.

Residents are encouraged to attend the meetings. Your help in making West Haven a safer place to live will be greatly appreciated!
