RE: PIPE INSTALLATION

- 1. Pipes installed in waterways and drains shall be of the size required by the City of West Haven**
- 2. Pipe shall be of concrete construction only.**
- 3. Any pipe installed shall be properly bedded on and in gravel. Pipe joints shall be unsealed and covered with filter fabric around the joints, for proper filtration.**
- 4. All proposed installation of pipe in drains and waterways require a permit before installation of said pipe. (No charge for permit)**
- 5. Any other questions on pipe, call Scott at 430-3997, or refer to city ordinance 9-92.**
